Intercoms/Entrances

Article III. How To Use Your
Intercom

Article IV. Reporting Faults

Article I.
Adding or Altering Saved
Numbers

To add or alter a saved number, please
contact Jay Murray, the Facility
Manager, on 0466 554 534 or
facility.manager@willsmere.net

*Please note ; updates and alterations are carried out
by a service technician at a fee to Willsmere and
fees may be on-charged to the resident.*

Article II.
Identification of Individual
Intercoms/Entrances

**The intercom uses the GSM network.
Residents can identify which intercom
someone is calling from with the following
three contacts.**

***Please save each of the numbers to your
phone with the appropriate names as
follows;***

MAIN ENTRY INTERCOM: 0444 597 378

GATE 1 INTERCOM: 0444 597 382

GATE 6 INTERCOM: 0444 597 366

Article III.
How To Use Your Intercom

To call an apartment, please press # on the intercom keypad, then the apartment you are trying to contact followed by another #.

(E.g. #123#)

To allow access to caller; please answer your phone as you would a normal phone call and then dial # on your phone's keypad. The caller will hear "The gate is now open" and the closest pedestrian gate will unlock for access.

Article IV.
Reporting Faults
